WELCOME TO

HERRINGBONE

Herringbone is your local watering hole — the kind of place where good company, honest food and a proper drink matter more than fuss and formality. We pour craft beer, keep over thirty of our favourite wines open by the glass, shake and stir beautifully crafted cocktails, and cook with the best regional ingredients Scotland's larder has to offer.

It's all served simply, because that's how we like it. Drop in for a quiet pint after work or settle in for the whole evening — either way, we'll charm you like you're already on holiday. Pull up a stool, raise a glass, and make yourself at home.

BEER & CIDER

Home-grown favourites alongside continental classics —
our beer and cider selection is kept cold, crisp and ready to pour,
whatever the day calls for.
